

## Main parts and materials

| Parts name | Material        |
|------------|-----------------|
| Body       | SCS14A          |
| TRIM       | SCS14A / SUS316 |

## Specification

|                        |                   |                       |
|------------------------|-------------------|-----------------------|
| Applicable Fluid       | Steam, Water, Air |                       |
| Working Pressure       | Max 1000 Psi      |                       |
| Applicable Temperature | Less than 180°C   |                       |
| Connection Method      | KS PT Screwed     |                       |
| Hydraulic Test         | Body              | 80kgf/cm <sup>2</sup> |
|                        | Seat              | 70kgf/cm <sup>2</sup> |

## Outline and connecting measurement

| Size | L   | H  |
|------|-----|----|
| 15   | 61  | 37 |
| 20   | 69  | 42 |
| 25   | 82  | 48 |
| 32   | 92  | 58 |
| 40   | 107 | 71 |
| 50   | 122 | 83 |
